Salima El khalidi

Junior Front End Developer

• https://www.salimaelkhalidi.com • elkhalidisalima@gmail.com

I am a junior Front End Developer specializing in React.js and Next.js, looking for an opportunity to leverage my skills and passion for creating interactive and user-friendly web applications. I am motivated to contribute to innovative projects and continuously enhance my technical expertise.

WORK EXPERIENCE

_____

Goaluin   December 2023 – Present

Reservation Management Tool :T3 Stack App(Typescript,NextJs,tRPC)

- Developed the user interface and implemented enhancements to improve web functionality.
- Ensured responsiveness and cross-device compatibility for a seamless user experience.
- Developed some mutations and server-side logic with tRPC, ensuring secure and efficient client-Server communication.
- Contributed to product decisions, collaborating on strategic choices typically made by product managers.

Zer Maroc Energy   April 2022 – June 2022

Projects Management Application:Capstone project

- Analyzed client requirements and created comprehensive documentation.
- Designed the system architecture and workflows using UML diagrams.
- Developed the user interface using HTML, CSS, and JavaScript and implemented server-side logic using Django.
- Worked closely with a teammate to ensure project milestones were met on time and the application was delivered successfully
